THE FORMAT

Players enter in pairs under a team name

Each league event has boxes of 4 pairs

Each pair in the box plays against all the other pairs

Matches are made up of two singles matches - coin toss decides who plays whom

Matches will consist of one match tie-break up to 10 points (2 clear points to win)

Box points are awarded as follows:

Matches won 2-0 score 3 points

Matches drawn 1-1 score 1 point

Matches lost score 0 points

League points are awarded as follows:

Box winner = 10 points

Box runner up = 7 points

Box 3rd place = 4 points

Box 4th place = 2 points

2 bonus points will be awarded to the pair who have lost the least number of points throughout their matches at each level.

Overall league places are determined by number of points earned by pairs divided by number of events played. In the result of a draw, the pair who have lost the least number of points (on average) overall will be placed higher.
